Praying for your family. I have known Branell D.McRae Harris since we were in elementary school as well as attending college at VCU. I just found out today and wanted you to know she had an illuminating personality. She was always smiling and happy just like her mother. I thank the Lord for sharing her with us.

Yogi, my heart is so heavy. I just found out today from Ruby. My Lord. Branell was nothing but the best. Your words described her wonderfully. DeWanda

Adebisi Sanni posted:

Ms. Harris was a gentle, respectful and professional nurse. She was hard working and always giving her best to her patients and colleagues. I remember the last time I saw her on the ward, though she was the charge nurse, she was very busy taking care of her patients. She was a real lady that carried herself with prestige and love for others. We will miss you greatly but you patients whom you have touched their lives will miss you more. I pray that almighty God will be with the family and guide you right. Ms. Sanni

My dearest Branelli, you shall always be remembered for your generosity of spirit and your bright shining light, and most certainly your smile. You were a dear sister to me as we walked together at Maury High School as two excited, and bright students with so much to give to the world. You went on to become a nurse to help people, I a social worker to also help people. What helper's spirit you had and shared with so many. I love you and your family. Thanks so much for every kind thing you ever shared with the world. My heartfelt condolences are extended to your entire family. DeWanda (Edwards) Bock. Make us proud next to the Great and Holy One!

Ms Harris will truly be missed!!! I'll never forget how kind she was to me over the years leaving small gifts on my locker with candy and cards not because it was ever my birthday or a holiday but simply because she wanted to show myself and others small acts of kindness and I truly appreciated that about her!! I'll cherish the laughs and talks we have shared and I pray for comfort and strength for the family during this time.
