With love and our deepest sympathy. Our hearts are so saddened and go out to Nick's mother, Nick's precious daughter and her mother. May love flow for Nick from within the surrounding families that are impacted by this tragedy and may God surround you with His love and peace. He may be taken from us, but they can never take him from our hearts! The best memories are the ones that you can't see or touch but can hold the closest to your heart. All our love and prayers, David & Kimberly Hines/Rainey & Family
