I learned yesterday about our loss of Kathy. To all of her family, may I share condolences from my husband & myself. We enjoyed Kathy's company at "Vintage Mount Vernon" group gatherings, and holiday parties. We could always count on Kathy to bring her sly sense of humor and easy-going sensibility! It was only a few days earlier, when I brought some food she requested, that I sensed how weak she was, but even so, she got up & moved around -- and shared some fun memories. Kathy will be missed so much!! Her spirit will be with all of us now, as we celebrate her life.

To the entire Sullivan family, my heart goes out to all of you. Kathy is such a big part of my youth in North Braddock, and after reconnecting a few years ago, I so looked forward to seeing her at our reunion. But, car trouble prevented that from happening, so we didn't get that chance. My heart is broken, and I am saddened that I didn't know about her cancer. May God help you through this season, and may the support of family and friends bring you all comfort and peace. Love you, dear Kathy, and will miss our history. Deborah Swalga Olson

Elizabeth lit a candle in honor of Kathleen.

I have never seen Kathleen without that warm friendly smile on her face . She was a true friend , a wonderful supportive coworker and a truly caring Therapist. She had a wicked sense of humor and always kept as laughing .I imagine the adventures we were yet to have ;the movies to see , food tasting and the plays and while I am saddened ,I can also hear her voice and know she is telling me , "don't waist a minute , and live life to the fullest.' .My heart aches that you are gone , but having known you makes it worthwhile.Forever your friend Elizabeth
