To the family, I remember Patty as being very kind, helpful and soft spoken. I missed her when she left the Federal Court. God don't make mistakes, He always knows what is best. Patty is resting in peace, and may the family be comforted and kept in God's care. Lynn D. Coln

My daughter, Rebecca Stonestreet, and I were so sorry to hear of Patty's passing away, and want to come to a funeral or memorial service if we know when it is. She was a good friend at the Federal Court House. We had many happy lunches and good times with her there, and after she retired to Leesburg. We will try to find this information. Our greatest sympathy to her family now. Charlotte King (mother of Rebecca Stonestreet)

I knew Patty when she worked at Ace Reporting in Cincinnati. She was such a vibrant, fun-loving person, as well as an excellent court reporter. I will always remember her smile, and the sports car (Corvette?) that she drove. She looked like a million bucks behind the wheel of that car. My sincere condolences to her family. May you find comfort in your happy memories of her.
