Dearest Cora, There are no words that can describe how I am feeling. There is a piece of my puzzle missing. A blank space which was yours. I did not get to say good bye my friend. Thanks for being a true friend. It took awhile to come to grasp on your passing. I know God has plans for us all and earth is not our home. I will miss your smile and that god forsaken blank look you give. Lol. You were definitely a character, full of laughter and life. Love you girl. Until we see each other again Rest In Peace. ❤️ ❤️ ❤️

Cora my cousin, my friend, I will truly miss you our times we spent together growing up, hanging out, yard sales filling our cars up with stuff we didn't need. The times we had dinner together just laughing and having fun. Love you Cora. Say Hi to Cheryl 😊.
