Steve and family....I just stumbled on your mother's obituary and am profoundly saddened for your loss. I remember a number of times spending the night at your house when we were young kids. I'm still struck by your mother's kindness. I was grateful to have run into all of you at CFC in these later years and see how well your mother was doing. Please know that all of you are in my prayers. God bless. Steve Price Ashburn, VA

I am deeply saddened to learn of the passing of Priscilla. She was my secretary for several years when we served together in the DC Police Department. She was a loyal and devoted secretary, but most importantly, she was a kind and caring person. You could always depend on Priscilla. She will be missed by all who knew her. My condolences to the family and my prayers are with you. Marty Tapscott Assistant Chief (Ret)

I was so very saddened to hear of Priscilla's passing. Though I've only known her for a few short months, I always looked forward to her visits to my office. We had GREAT chats each and every time...it was hard to get any work done! She had a bit of spunk to her that I just loved. I thought for sure we'd be exchanging stories for decades to come. In those short months, I cannot tell you how many times she raved about the 3 fine sons she has raised, and how utterly fond she was of her daughters-in-law---she'd always say "they're like actual daughters to me..I love them so much and I'm so very fortunate to have them". She loved her family dearly and wasn't afraid to say it. Her proudest achievement. To Brandy, Josh, and Priscilla's entire family--I hope time and happy memories will bring a smile to your faces and peace to your hearts. May God keep Priscilla and her family in the palm of His hand today and always. With sincerest condolences, Dr. Dina Bambrey

I remember being a Police Cadet and having the privilege to meet and then get to know Priscilla. She always was very nice from the first moment I meant her and I will never forget her. When I read the notice sent by the DC Retired Police Association although I was saddened, I was able to reflect how lucky I was to have her there as I started my career with the Department and to have her as a friend. Years went by and we lost touch but I greatly appreciated her. I wish I had her told her.....Frank Di

I did not have the privilege of knowing Ms. Mowery during my time on the Metropolitan Police Department. However, it is evident that Ms. Mowery was a remarkable person, so I have memorialized her in the online memorial, Find A Grave, memorial number, 88342916, and have enrolled her in the Virtual Cemetery dedicated to those members and friends of the Metropolitan Police Department who have passed on.
