Jim, Please accept my sympathy on Sally's death. Alma Solis forwarded the information. I hope that you have a loving and supportive family and group of friends. I know only too well the importance of support. Elaine and I really enjoyed our shared times with you and Sally. These good memories form a significant part of us. I particularly remember our times at the Outer Banks, finding a green snake in a tree above the path, Sally's pointing out the warblers, enjoying relaxed friendship. Sally worked for me for many years. She enjoyed what she did and always did a good job. It's difficult to imagine a world without her, but as the years progress, fewer of our generation remain. Best wishes for whatever come next. Ron Hodges

I just wanted to say i am sorry about your loss. Death is a very painful and un-natural thing. I found John 5: 28 and 29 comforting. I hope it helps you like it helped me. Sincerely, Siera Magro
