Reginald Wright sent a virtual gift in honor of Lucille.

Hello, everyone family and friends I would like to share just a few words on behalf of my friend of over 20 years , and more like a mother who we would share long conversations on the phone often. I called her ms, LuLu but i believe we were much closer than just long time morning friends as she would say. we always remembered holidays,birthdays and we spent countless hours of prayers on behalf of our Loved ones . Ms, LuLu I'm gonna miss you and I promise I will live my days in the sight of God and you because I know you will be watching , and I look for the day when we will meet again, may God bless the family during this time of transition Love you all .Respectfully, Reginald
