He also was a VP at Enshin Karate Dojo in Ashburn and enjoyed working with children. He enjoyed outdoor activities such as camping, kayaking and motorcycle riding with friends.

I still think of Todd and his wacky yet caring ways. I had only two years on this earth knowing him, yet he is unforgettable. Todd often helped me with projects at my house, in exchange for a few beers, laughs, and a few bucks. One day, he offered to help me with my windows and I said "sure". Little did we know, there was an ant colony taking up residence in the family room window frame! We both jumped when the humongous swarm came out. But then, Todd turned it into a hilarious time. We grabbed RAID and the hose and acted like superheros taking on the ant villains. I was a bit embarrassed, but it became our fun joke! Every now and then, Todd would text me photos of ants and artwork from a campy movies called "Attack of the Ants", "Them", and "Battle of the Ants". (He sure enjoyed movies.) Anyway, it was a day we would both never forget, in spite of the thousands of ants. Now, I can say "good times". And I'm glad Todd was friend enough to come around and have some adventures.

I was very please to be able to enjoy the company of Carolyn's son for dinner several months ago in VA. I met him for the first time many years ago in Tampa when I visited Carolyn and Ron. He was a lot of fun and so unfortunate to loose him at such an early age. Sending prayers and thoughts to his family and friends. May he Rest In Peace.Patsy Mann

Carolyn and John, time has passed so quickly and we have lost touch with each other but I am so sorry to hear of your loss. I have not seen Todd since he was a little blond headed boy and watched him play at Mom and Dad's. My love to both of you and your families.Gayle Clements
