I had a dream about your mother this morning and had a strong desire to find her. I was shocked to see that she had passed and that any opportunities to reminisce are gone. Evelyn was a backbone for me in my 'insane ' years. I was so full of myself back then and hoped to share my aged wisdom with her. I am so sorry for your loss Monte...she was a classy lady.

Anne, Randy, Monty and Donna....Your mom was such a very special person to me. When I started at Long and Foster in 1984, your mom was so kind to take me under her wing. She taught me ethics and always had the right answer when I needed help. She had the most infectious laugh of anyone I have ever known. When she laughed, I always had to go into her office to see what was so funny. She laughed hard and often and brought such joy to those of us in the office. She also had a very serious side that was very nurturing and she was my "go to person" for all my questions. I loved her beautiful, southern drawl, always so calming to me when I went to her for help and advice. I love this beautiful photo of Evelyn. It is how I will always remember her. She made her mark here on earth and I have no doubt she is spreading her special joy in heaven. My love, thoughts and prayers to all of you. Tammy
