Jim was a good cousin and great friend. Always had a great time visiting on the farm and spent many a night there. Jack and I loved visiting Jim and Maurine when they built their house next to Aunt Ollie. There are only five of Grandfather and Grandmother Cooper's grand children still around - the three Hough siblings (Bernard, Roland and Phyllis) and Tom and myself. Memories are fading away so I hope the next generation learns more of their hertiage before it's too late.I know how much Donna, Larry, Nancy, Anna and Alan miss him because I also miss him. The last relative who knew most of the history of Lovettsville.Stella Ahalt Glitzner

To the family of James Reed, I didn't learn about Jimmy's passing until about two weeks ago. Just found this today. Your parents were wonderful neighbors to have and we got out cats from there. One time he told my mother they had plenty when she went over. Have fond memories of him and know he will be missed. You have my sympathy and condolence. Which I would have found this sooner. I remember Jimmy from the days of visiting Aunt Ollie in Lovettsville (he was such a sweet person) and during the great days of seeing him out on my grandfather's farm (George & Mary Cooper) out on Rt 287...Sorry to say that time has passed by and connections have been lost, but I would like to send my heartfelt condolences to the Reed family of this sad news. I will pass the news of Jimmy's passing on to my Mother (Marie Cooper Roberts) who is a resident at Heritage Hall, as she would wish for her condolences to be expressed to the family also. May Jimmy be at rest...Katy Roberts McCauley Naples, Florida

The most lasting memory of Uncle Jim I have is of how gentle he was, I was very ill and they put me in their bedroom, Dad was in the Hospital and we were all 4 staying "down on the farm" as we called it. When Uncle Jim came in from working on the farm, he cared for me while Aunt Maurine fixed dinner and took care of the other kids, they were bathing my face and arms with luke-warm water constantly to try and bring my fever down. He was a stern man at times, or at least pretended to be, but his kindness and gentleness have stayed first and foremost in my memory always. My deepest sympathy to you all at this time of loss, may God hold you gently and comfort you in the knowledge that he has taken Uncle Jim home. Love, Cathy Breeden

The fond memory I have about Mr. Reed is that he always treated me as a part of the Reed Family. When visiting with my infant son back in 1981, Alan and Leslie drove us to Mr. Reed's home and both Mr. and Mrs Reed welcomed me with open arms. When it was time for bed the couch bed was put out and Mr. Reed said "I will not have you and your baby sleep on the couch, your taking the Master Bedroom"! Mr. Reed was such a loving family man. May he RIP. Our hearts go out to each of the family member's.Laura

Uncle Jim was a warm, wonderful and kind man. I remember as a kid playing on the farm and watching him milk the cows. I have a lot of fond memories of Mom taking me with her for a visit. My kids, Katey and Michael used to love to go with Aunt Hollie and visit Uncle Jim at the home. God Bless! Lesa (Jacobs) and Mike Kaulfuss & Family
