Richard Christopher Siegert

JUN 16, 1960 - NOV 11, 2017

On Saturday, November 11, 2017, Richard Christopher Siegert died peacefully surrounded by his family after a 15 month battle with multiple myeloma. Throughout his treatment, he was positive, brave and always put others before himself.

Born June 16, 1960, Rick was the oldest of four children of Richard and Barbara Siegert. His memory will forever be cherished by his daughters, Kristin Siegert, Laura LaFlame (Trent) and Essence Dashtaray. He is also survived by his mother Barbara Siegert; sister Katherine Stryck; niece Tiffany Stryck and a number of loving family and friends.

A man of many interests, Richard was passionate about playing golf and poker with his buddies, watching Villanova basketball, and always had a home improvement project going on, but most importantly, he loved spending time with his girls.

We will forever be grateful to the caring and loving staff at Inova Fairfax Hospital and the compassionate hospice team.

A celebration of Richard's life will be held on December 1st from 1pm to 4pm at River Bend Golf and Country Club. In lieu of flowers, the family requests that donations be made to the International Myeloma Foundation in memory of Richard C. Siegert. Please find the link below or a check can be made out to International Myeloma Foundation and sent to 12650 Riverside Drive, Suite 206, North Hollywood, CA 91607. Please include in the memo line: in memory of Richard C. Siegert.

Katherine Siegert Stryck posted:

As Rick reminded me last week, he taught me many valuable "life lessons" in such a way only my big brother could do. He was kind and supportive to anyone trying to do the right thing. Rick taught me how to play "hoops" and never hesitated to accept a challenge to a friendly, yet competitive, neighborhood game with his "little sister" in tow. Rick remained resilient and strong in the face of any adversity throughout his life. He fought the fight of his disease for over a year and through the bitter end. He never complained and always had a kind word to say to people around him. I love you Rick and thank you for being you! Kath
