Elizabeth Sheryn Hardesty

JUL 23, 1947 - NOV 15, 2017

Elizabeth Sheryn Hardesty was born in Frederick, Maryland, on July 23, 1947, to Charles J. and Virginia Weeks Hardesty. She passed away on November 15, 2017, in Dallas, Texas.

Sheryn moved to Lovettsville, Virginia, in 1953 with her parents and younger sister, Charlene. She attended Loudoun County schools and graduated from James Madison University.

Sheryn taught mathematics at Broad Run High School in Ashburn for forty years. She was an excellent teacher who cared deeply about her students. She was a cherished friend and colleague. Her caring, compassionate nature and wonderful sense of humor brought joy to everyone she met.

Sheryn was devoted to her family and moved to Texas in 2016 to be closer to Charlene, brother-in-law Paul, and niece Jessica. They will miss her enormously, as will her cousins and many friends.

I first met Sheryn in 8th grade. She was in my homeroom and several classes. We became fast friends and remained so even after she went to Loudoun Valley High School in our 10th grade year. I taught in Loudoun County Public Schhols from 1974 to 1982 and would meet up with Sheryn at Teachers Conferences and The Loudoun County Teachers Association and share many wonderful memories of our days in high school. She was a warm, loving, caring and funny lady. She was always smiling. My Sincere Condolences To her sister, Charlene and family. May God Comfort You As Only He Can During This Difficult Time. Sheryn will be deeply missed by all those who had the privilege of calling her "friend". Mary Ellen Havener Luzerne, PA

I was a student at BRHS from '74 thru '78 and had the good fortune to have Ms. Hardesty as a substitute math and geometry teacher many times. She always had a smile and a wonderful, caring personality. Later in my life, I also had the good fortune to have Sheryn as a neighbor when I moved my family to Lovettsville. Sheryn and her mother, Virginia were two of the kindest, loving people that I have ever known. I am so thankful to have known Sheryn Hardesty and send my condolences out to her family.

Sherry and her mom lived across the street from us in Lovettsville when my 2 older sons were growing up. They were part of our family and my boys adored them as did myself and Randy. We will always remember your laughter and upbeat personality. Rest In Peace with "G". Love Carol, Randy, Ryan and Jeremy

Ms. Hardesty was my math teacher, senior year. I was never known as the best student in math, but Ms. Hardesty offered something that connected with me. My final grade average in math was an 'A'. I really think the connection was her simplicity. She taught the concepts the first part of the period then let you do your homework and ask questions the next half. I kept up with her after high school until her retirement which I attended. You were awesome Ms. H! Thank you for remaining so committed and for such a long time.

We are so grateful that God gifted us with Sheryn, howbeit for far too short a time. We met her at Parkview in Frisco (TX), the senior community to which she had moved and where we had the privilege of her company at our dinner table each evening. Her upbeat, positive and joyful spirit were contagious and a more caring person, so attuned to the needs of others, would be hard to find. It was impossible not to love her and when we get to Heaven, she should be easy to find; we'll just listen for her gloriously raucous laugh, which will ring in our hearts forever. Our thoughts are prayers are with you, Charlene, Paul, Jessica and all who hold Sheryn dear. May God hold you in His Arms of peace and bring you deep comfort now and in the days and months ahead.

I was a fellow teacher at BRHS when Sheryn was there--I can still hear her infectious laugh. She was a blessing to all who knew her or had her for a teacher. A bright spirit, indeed.
