My name is Brett Langefels. I went to high school with Barbara. She was a good student who encouraged me to do better in school. I sat next to her in one class, we talked everyday that semester. I noticed she carried all her books which made a lot of sense to me. I took up the practice and it helped me keep up with everything better. I passed the practice on to my oldest son who never used his school lockers. Thanks Barbara! I think about you often and am sorry you left us so young! My deepest sympathies to family and friends. God Bless, Brett

**Alan And Sharon Witney** August 2 at 6:14 AM

Our names are Alan and Sharon Witney. My late Mum (Alan) and Barbara used to have great times in each others houses, gossiping and passing the time and good friends do. We so hope that Walentina (Val) and you Barbara are still gossiping in heaven. We shall miss you and your smiley face so much. RIP hun. ccc
