Dear Julie, Jerry, and Patricia, My name is Debbie Bourque, daughter of Robert Bourque, who is half-brother to Florence (MacLean) Busher. I heard about your loss from Tricia Bourque and just wanted to convey our heartfelt sympathy to you and yours. I fondly remember my cousins, Arthur and Bobby, as they were always so nice to me whenever we would visit at the house on Pond Street, Waltham back in the early 50's. My dad and I were deeply saddened to hear of his passing. With deepest sympathy, Debbie Bourque

I send my sympathies to the family of Art. We went to see him on April 24th. and had a very pleasant time. He and I had some interesting times with ARAMARK. I followed him at Xerox and then at the Pentagon. I consider him a very close and trusted friend. He will be missed by many. He was way to young to leave us, but the memories will be everlasting.

Dear Tricia, Jerry and Families, I was sorry to hear of the passing of your Dad. I had not realized that he had a serious health issue as well. I learned all of this when I happened to see his obituary in the Loudoun Times Mirror today. I am sorry that I missed his funeral service, as I would have gone. Please know that I am very sorry that you lost your Dad. We always appreciated the time when we were next door neighbors in Country Club. Our hearts go out to you all. Cindy, Chris, Ben Baer and Families.
