My wife and I are very sorry to hear of Mr. Mann's passing. What a kind and generous man. About 30 years ago when my wife and I were both working for USGS, my wife experienced serious pregnancy complications with our daughter. With her leave balances exhausted and her next paycheck in jeopardy, Mr. Mann graciously donated two weeks of his leave to my wife. What a timely blessing that we never forgot. Our deepest sympathy to Mr. Mann's family. Tom and Catherine Wood

Sending lots of love and prayers. So so sorry, we are heartbroken. Sharing Your Sorrow. The pain you feel is not a burden you must carry alone. Your friends and family are with you, giving comfort and praying that you may be consoled in the resurrection of Christ.

We were shocked and grieved to hear about the death of Bill and his son Eric. I have no doubt they are together in heaven. The Lord has gained a top notch Hydrologist. Bill was one of the most devoted Christians I have ever known. It was a pleasure to work for him and to know he was a friend. I owe him much as do many others inside and outside of Government. I will miss his bright smile and his welcome when we attended the retirement luncheons. Jani and my prayers are with Helene and her family. Bill & Jani Shope

I will always remember hearing Bill's laugh as he walked down the hallway at USGS. You knew when he was coming! Of course, it might have taken him a while to get to his destination since he was friends with everyone! He will be missed. My thoughts and prayers are with you, Helene, and the family. Sincerely, Cathy Hill
