Charles Henry Rutherford II

NOV 9, 1952 - SEP 1, 2018

Charles "Charlie" Henry Rutherford II of Leesburg, VA, was called home to be with the Lord on September 1, 2018.

He is survived by his wife Janet Rutherford and daughters Lori Lane and Renee Rutherford; brothers George Rutherford and Billy Carter; his grandchildren Shante Lane, Dwayne "DJ" Lane, Marcus Rutherford, Marquise Rutherford, Jada Coates and Nia Coates; and great-grandchildren Itianna, Nevaeha, and Darius Lane-Johnson, Zaniyah, Aliyah, and Natalia Lane and Anthony Ortiz; along with a host of family and friends.

Charlie was born on November 9, 1952 to the late Charles Henry "Bootle" and Lillie Rutherford. He was a business owner and a well-known resident of Loudoun County.

Charlie will always be remembered for his charm, his loving soul, his musical talents, his sense of humor and his magnificent storytelling. No words can describe the impact this wonderful man had on so many lives. It is beyond measure. Everyone who knew him loved him instantly.

He was one of the most well respected, honest, loyal and genuine men to ever walk this planet. He was truly the epitome of everything that is good and kind in the world. He was a perfect gentleman, a devoted husband, an adoring father, grandfather, brother, uncle, and friend.

We are all so grateful to have had him in our lives. The loss of this great man is devastating, but through the grace of God his light and spirit will live on in all of us.

We ask that you join us in celebrating the glorious life and sharing in the fond memories of this beautiful man. In lieu of flowers, please send your donations to the American Heart Association.

A memorial service will be held at Loudoun Funeral Chapel located at 158 Catocin Circle, Leesburg, VA 20175 on Saturday, September 8, 2018. Family will welcome friends 11am to 12pm.

Today I go to celebrate the life of my very dear friend. My thoughts and prayers have been with Janet, George and all the family this week. I've carried a very heavy heart this past week. How do you say good bye to someone you love so much. We will all keep him alive in our hearts and thoughts everyday. Thank God for giving us such a man to share in our lives. I remember Charlie's first day of High School. I was showing him around the school and we ended up being late for class. We bumped into Mr. Shipping(assistant principal) whom I new lol. He says Thorpe what are you doing and why are you late. Told him I was showing Charlie around the school.Mr. Shipping says why don't you show him the office where you spend most of your time. Charlie really got a big laugh out of that. One of a thousand moments we shared.

Uncle Charley, You and Aunt Janet were always there when I needed a shoulder to help me lean on when my heart was heart the most. Aunt Janet, I'm here for you to lean on now. Keep all of those warm loving memories alive, they will get you through a lot of difficult times. Uncle Charley was one of the best men I have ever known. He would help anyone who needed it and he always had a kind word or smile. He will be greatly missed by all here on earth but he will be playing a lot of beautiful music in heaven for all of his family and friends that he has missed over the years. He will be looking down on you everyday when the sunshine and he will show how much he misses you when it rains. When you find that penny laying on the ground Charley put it there just so you would remember he is always with you. I'll miss you Uncle Charley! Aunt Janet, I love you and if you need me just call, we can cry together and share memories.

Barbara and I had the pleasure of attending Janet and Charlie's wedding. It was the first time I heard Charlie play guitar and sing. They visited us in Florida on several occasions and he always played for any open mike night we could find. He left many great impressions. I counted him as a brother and a great friend. We will miss our visits in Leesburg and Florida. He always played what he was working on, on his steel guitar in the music room when we were in town. We will miss too, the breakfasts we shared over the years. I know he will be sharing his music in the hereafter, along with his smile and laugh. We will miss you greatly, till we meet again. Much love, Barbara and Bob Palmer, TheVillages Florida.
