To My Second Family: The reality is that you will grieve forever. You will not 'get over' the loss of a loved one; you will learn to live with it. You will heal and you will rebuild yourself around the loss you have suffered. You will be whole again but you will never be the same. Nor should you be the same nor would you want to. Tears shed for a loved one are not a sign of weakness. You will feel Aunt Ann's presence always giving you a sign when you are right or wrong. Believe me you will know the difference. I remember those signs from the good old farm days. I am here for you if you should need to talk or anything. My love to each of you.Babysis
