# Christopher David Myers

JAN 13, 1984 - DEC 10, 2018

**O**n December 10, 2018, Christopher David Myers died peacefully in his sleep. He was born on Friday, January 13, 1984 in Fort Wayne Indiana. He was the son of Debbie Skinner Myers and the late John Robert Myers. He is survived by his sister, Stephanie Myers Perhach, brother-in-law Peter Cameron Perhach, and his nieces, Julia Faith and Scarlett Christiana Perhach.

Chris was raised in Fort Wayne, Indiana and Granger, Indiana. Chris enjoyed entertaining crowds of people starting at a very young age. Growing up as a ministers' son, he was groomed to be a performer in the church. At four years old he sang "O Holy Night" as Tiny Tim in "A Christmas Carol". He was signed with an opera company at the age of nine, touring with Amahl and the Night Visitors, as Amahl. By twelve, he performed in the Broadway Tour of Joseph and the Amazing Technicolor Dreamcoat. He attended Penn High School in Indiana and moved to Fort Lauderdale, Florida and graduated from St. Thomas Aquinas High School in 2002. Various other roles would allow Chris the opportunity to grow as a performer throughout the years. Following family tradition, he went to Purdue University and became a soloist in the Purdue Varsity Glee Club. After his Freshman year, he signed his first record deal with Sony Music/Epic Records in Germany, Switzerland, and Austria. As a member of the boy band, Fource, Chris toured thirteen countries – performing on national television shows throughout Europe. With two certified Gold records and a compilation album selling six-times Platinum, the group was beginning to gain momentum. However, Chris decided to come to Purdue to finish his studies. He graduated in 2007 with a degree in Film and Video Production. Chris attended NYU and graduated with his Master's Degree in Graphic Communications Management and Technology in 2014. He worked in Marketing and Sales, and pursued his passion writing Social Life the Musical with a small creative team. He also wrote and continued to perform his original music. Chris moved to Virginia to

be surrounded by his family. Here he continued to work in marketing, design, and songwriting.

A loving son, brother, nephew, cousin, uncle, brother-in-law, and friend to many. Chris lit up the world with his incredible spirit. His voice was a gift from God. He used his gifts to reach millions and change lives. There was never a crowd too big or too small. He was an entertainer. He was a thrill seeker. Rollercoasters, Bungee Jumping, and Skydiving were just a few things he loved. Going to movies and eating popcorn were a favorite pastime. From a very young age- eighteen months to be exact, Christopher knew what he wanted. He wanted to change the world. With every song he wrote, performance on stage, hilarious joke, or heart-felt moment he shared – he was able to reach out and touch your soul. He was always there for a good hug and a warm smile. And even when he messed up, he would be the first to admit it. His heart was enormous. His energy was tangible. He was a dreamer, a believer, and a creative force. He will always be remembered. He was a very good man – and he meant the world to us all. We'd give anything to still have him here with us, but I know he will always watch over and protect us, as he is now with God above. We will always love you, Chris.

Psalm 119:105 Thy Word is a lamp unto my feet and a light unto my path.

Chris was just one of the best people I have ever known. He had the voice of an angel that I will never forget. He sang O Holy Night in middle school choir and I don't think there was a dry eye or arm without goosebumps on it. His kindness, joy, passion, thirst for life, compassion, and overall positive outlook on life is just something you don't come across often enough in life. I was in an airport when I got the news he had passed and just cried as I boarded my plane and through the first part of my flight because knowing the world lost such an incredible human being at such an early age in his life broke my heart. He didn't get to spread his joy and songs nearly long enough but I'm positive he touched so many that will carry on his memory.

Patty joins me in expressing our sadness and feeling of loss at the passing of Chris Myers. Chris was among the most talented students at Purdue during our time as President of the University. Chris was the star vocalist of the Purdue Varsity Glee Club and traveled the country and beyond carrying the message and the music of Purdue University to thousands of the Purdue family. I especially remember his singing "You are the Heroes" at the announcement of the public kickoff of our \$1.7 Billion capital Campaign for Purdue in the fall of 2002. He had everyone cheering, many in tears, and inspired a huge audience of Boilermakers. In this way, he helped us meet our \$1.7 Billion goal. Chris was an amazing entertainer and a spectacular voice. Patty and I were among his many friends and admirers in the Purdue community. His passing is a great loss to the Purdue community. We send our condolences to his family. The memory of his time at Purdue will always be a treasure for us. Martin and Patty Jischke. President and First Lady Emeritus, Purdue University

Chris came into my life, a bright and positive force, when we were in high school and like all 16 year old children, fumbling our way through self discovery. His spark for his passions always inspired me and his path to success and his true self was a work in progress every day that I knew him- a brave and enviable trait. We dreamed together, wrote music together, saw the world together, and grew up along side each other. Every person, blessed enough to have crossed paths with such a beautiful soul, loved him and being near his contagious energy. Chris, you will be in my heart forever old friend, and I'll think of you every time I hear one of the thousands of songs we always sang at the top of our lungs everywhere we went. Thank you for loving me and sharing your light with all of us. Xx

I met Chris when he was 18 years old as we both stood in line to audition for American Idol. I was immediately drawn to his outgoing, funny, kind and loving personality. Despite the location distance we remained good friends and I would visit him when he would come back from Purdue and stay with his dad. I felt so connected to him and his dad and loved to sing with them. They made me feel like I was family. Chris was such a wonderfully talented and amazing young man. My heart is broken with his loss. I pray for comfort to the family that only God can give. I miss and love you Chris and look forward to the day when I see you again in Heaven. Until then...keep singing with the angels my sweet dear friend.

Chris helped to lead Vacation Bible School last year at church. My daughter was literally obsessed with him. He was rockstar status to her. Everyday she would come home and say "Chris said something so funny today" or "Chris asked me a question and I answered it" or "I want to sing like Chris someday". Him taking the time out of his busy schedule to help really blessed a lot of children that week!
