If you knew Sheila, you had a friend. No matter what was happening in her life, she always had time to spend talking with you. Sheila and I were like sisters, always looking out for each other. Before I joined Coopers and Lybrand (C&L), I had worked at the National Wildlife Federation where I first met Sheila. When I changed jobs she said, "Please find me a job at C&L". A few months later one of the C&L Partners asked me if I knew anyone who would like to work for her. YES, I do!! and within 3 weeks, Sheila and I were once again working together. She will be missed by many of us but we have the wonderful joy of knowing that one day we will meet again in Heaven.

Anyone who knew Sheila, knows that she was an incredibly kind, positive, thoughtful and beautiful person. Just a joy to be around. I consider myself extremely fortunate to have had the chance to work with her. The world will be a darker place without Sheila in it. My heart goes out to her family.

Miss Baker was always so nice to me. She welcomed me into her home so many times and always had a smile for me. I remember her teasing me about seeing me and my boyfriend in the 7-11 parking lot "sparking" one night (kissing). I couldn't help laughing. That's what I remember about her the most - smiles and laughter. A genuinely kind lady. My heart-felt condolences to the family, especially to my dear friend Kelli.

Sheila loved her family above everything. After that came friends. One of the greatest joys of work was Sheila. She lit up my workdays for more than 15 years. She had a way of never making you feel stupid, even if you asked her the same thing over and over. She was kind, thoughtful, grateful, loving, fun, funny, loyal, trustworthy. I will miss her the rest of my life. ❤️

It was a privilege to work with Sheila at IBM. It was an even greater honor to be her friend. She was a delight to be around - a good, warm, and generous spirit. She made me want to be a better person. I will remember her kindness, her smile and laughter and above all else, her love of family. My prayers go out to Ed, Kelli, Bryan, and her precious granddaughters. Gone too soon, rest in peace dear friend. Carol Marek Springfield, VA

The world is a sadder place without my Grandmama in it. She was the most selfless, kidhearted woman and I am so lucky, so thankful and so grateful that she was my Grandmama - the one who first nicknamed me Amanda Panda. She is so deeply missed and so deeply loved by all who knew her. Times with her were so full of laughter, so full of love and so full of joy. All of those happy moments trump the aching pain in my heart. What a keepsake we all have in our memories of her.

To my "BEST FRIEND" ever. Sheila and I have been friends for 65 years. She was the best friend a girl could ever have. We became friends when I was 10 yrs. old and she was 7 yrs. old. She was one of the sweetest persons in the world.

Always had a smile and a kind word, that would make you feel so loved. I have really missed you since you have been in the hospital and Hospice, but I will see again in Heaven, Love you my friend. Also my heart and prayers are with Ed, Kelli and Brian.
