Dear Conry Family, We were so sad to learn of Marty's passing. At Michael's basketball games, I tried to sit next to Marty because not only was his enthusiasm for the sport contagious but I could ask him questions about the game and he never made me feel silly for asking. Our prayers are with your family during this very difficult time.

Marty, my baby brother, oh how you will be missed. Marty and I did a lot of hunting and fishing together years ago. I know there will be times when I'll be fishing and I'll look over expecting to see him, or maybe hear him. Of course then I would start laughing cuz he was always saying something funny. Marty had a large personality, and he was always willing to help someone in need. To Abby, Quinn, Carter, and Mike, I love you all very much, please remember that I'm here for you. And finally Linda, thank you for taking such good care of my brother.

I am so sad about the loss of dear Marty. He was an exuberant character, and I will miss him so much. I first met Marty when he and Linda stayed at my B&B when they first got together. And, later, they came back and got married in town and stayed at the B&B for their honeymoon. Through Marty, I met his wonderful sister Kathy and her sweet husband Dan, who came to the B&B for a short stay when Marty and Linda were here. We all had a great time together--good food, good wine, and good fun. Marty was a great cook! Words can't express the sadness I feel at this time. My condolences to Marty's family, and my love. When my husband told me the news I instantly was brought to tears. Thinking about Mike and his family. Mike and my son Mario played Football together and whenever Mr. Marty saw my daughter he would say "Hey Pretty Girl". Her face was always lit up when she saw him at the practice field. My thoughts and prayers are with the Conry family! God has an angel! Rest in Paradise Mr. Marty.
