James was an amazing guy who provided his shoulder for his friends to lean on even during his worst times. He confided in us when he felt he had no one. We're honored and saddened to have been probably the last people you let into your life as friends. We're all doing better these days. You can rest easy now, James.

I'm FreeDon't grieve for me, for now I'm free! I'm following the path God laid for me. I took His hand when I heard Him call, I turned my back and left it all. I could not stay another day, To laugh, to love, to work or play. Tasks left undone must stay that way, I found that place at the close of day. If my parting has left a void, Then fill it with remembered joy. A friendship shared, a laugh, a kiss, Ah yes, these things, I too, will miss. Be not burdened with times of sorrow, I wish you the sunshine of tomorrow. My life's been full, I savored much, Good friends, good times, a loved one's touch. Perhaps my time seemed all too brief, Don't lengthen it now with undue grief. Lift up your heart and share with me, God wanted me now, He set me free. Author Unknown

What a beautiful young man! You do not know me. I am Laura, Rob Hogan's partner. I want you to know, that though I do not know you, I am a nurse that deals with the agony of parents losing their children on a regular basis. As well, I am the mother of a son with life long disabilities. I feel deeply for you at this time. I know some of the scenery of the path you are on. I am keeping your family in my thoughts and heart. I am praying for you, though I do not know you. I stand with you from afar! If compassion has any value, I offer it up now. I will continue to do so. I am so sorry for your loss. Laura DeAngelis
