Edward Troha, 66, of Leesburg, Virginia passed away on Sunday May 12, 2019. Ed was born in Washington, DC on April 21, 1953. He was a son of the late Charles and Eleanor Troha. One of five children, Ed was predeceased by his brother, Tom.

We were in a band together for a number of years. Ed played keyboards, drums, and did a fair share of singing too...and he did all three quite well. In a band setting you really get to know one another, and Ed's sense of humor and bumblebee energy endeared him to all. Those days gave me enduring memories, how could they not, with all that good stuff that was going on? We played bars and clubs and performed in front of 8,000 at the DC Armory for the annual Cherry Blossom Festival. Ed approached every gig with the same easy-going, upbeat attitude. This really made him a joy to work with, and in turn, that attitude conveyed itself to our audiences. It is painful to lose not just a friend, but a brother in music, laughter, and joy. In our hearts you'll forever reside.

So sad to hear of Ed's passing. Met him as a rookie umpire in 2007 and worked various games with him in and around Loudoun County. Ed's enthusiasm was contagious and his joy for life was evident. Seeing a man, 26 years my senior running around the field and putting 100% into the game made me give the same effort and it was always awesome partnering with him for games. Miss you Ed.

My heart hurts for Pidge, Dan and Molly, and his extended family and friends. I worked with Ed for many years at OV and quickly became friends - I often referred to him as a long lost brother - he listened to my stories and struggles during this time, always supportive, always making me laugh, and giving brotherly advise. We stayed good friends even after our career paths changed. Truly a dear soul and will be missed. Pidge, Dan and Molly, you are in my thoughts and prayers! Robin

Met Ed through Volleyball reffing and as a mobile nurse on his races. Last match we did together it started with him missing a call and I gave him the big L on the forehead...not more than 30 mins later he returned the favor and we started laughing so hard... will miss working with him...

I worked with Ed for many years in the Army Band, mostly in the Herald Trumpets. My most vivid memory is being with him on the trip, and opening ceremonies, for the Winter Olympic Games in Lake Placid, NY, in 1980. We were fellow sufferers of the cold! I will never forget Ed's smile and cheery attitude. Pidge, though we have never met, my wife and I will continue to pray for you. Paul Wilhoit
