Matthew Aaron Bradley

SEP 9, 1981 - JUN 29, 2019

Matthew Aaron Bradley, 37 of Leesburg, Virginia passed away on Saturday, June 29, 2019 at his home in Leesburg, VA.

Born Wednesday, September 9, 1981 in Newport News, Virginia, he was the son of Walter Bradley and Mary(Ball)Bohnaker.

Matt graduated in December 2004 from West Virginia University with two Bachelor of Science degrees - Computer Engineering and Electrical Engineering. Matt began working for the United States Patent and Trademark Office in March 2005. He was a Primary Patent Examiner and proudly served in the Memory Access and Control Unit. He also completed his Masters of Business Administration in May 2010 from George Mason University.

An avid WVU Mountaineer, Matt loved to cheer on WVU's football and basketball teams, travel, go to concerts, listen to House/techno music, cook, ski, track the weather, go to the beach, find (and fix) the coolest toys for his nieces, play video games, and work on his car and motorcycle. A gentle and thoughtful spirit, Matt was always quick to help anyone in need and always found ways to make everyone around him feel valued and loved. A kid at heart, Matt was also witty and loved jokes and pranks. His family will never be the same without him, but knows he is with the Lord and will be reunited together again in heaven one day.

Matt is survived by his parents Walter Bradley and mother Mary(husband James) Bohnaker, sister Amy (husband Daniel) Barrett, and two nieces Noelle Rae Barrett and Evalee James Barrett, as well as, his beloved dog Rusty.

A memorial service of prayers and thanksgiving will be held at 11:00AM on Saturday July 20, 2019 at Loudoun Funeral Chapel located at 158 Catoctin Circle SE Leesburg, VA 20176.

Dear Mary, Amy and Jim, I last saw Matt several years ago in Smithfield. He had spotted me from a distance and came over to introduce himself. What a delight it was to be able to reconnect with the "all grown up now" Matt and to see his familiar smile! I will never forget us all piling into the car and heading for Cameron, Hillsville and other treasure-hunting destinations. Those were the best of times, and I know your hearts are broken. Matt was such a gentle soul, and until you see him again. I hope that memories of the joyful times you shared with him will be a comforting blessing. Much love, Missy

I just discovered today that Matt passed away 8 months ago and am in such complete shock... My mother and I had been friends with him for several years and were concerned he hadn't returned any of our texts or calls in a while. My mother realized she had spelled his last name wrong and when she found his correct spelling found this obituary... Matt was such a good friend to us and this is so devastating... He really loved Rusty so much as well, he used to talk about him all the time... If any of his friends or family would like to reach out to me, my email is amanda@bubblesproductions.net - its so hard to find closure from this, he was seriously such an amazing guy and so young...

Matt was the very first patent examiner I met when my supervisor gave me a tour of the office on my first day. Matt continued to be a constant presence in my examining career as a mentor and a friend. Every time I came to Matt with a question, he always took the time to listen and tried his best to help. Listening, caring and treating others with respect and love were some of the great qualities that made Matt such an exceptional mentor and human being. I will surely miss him.

He introduced himself to me as Matthew, and I asked do you go by Matt or Matthew? He said "you pick," and then he said "I like Matt." We are blessed to have known him for the short amount of time that we did. He stumbled across our neighborhood party by chance (while walking a couple of friends home), and we became new friends. We'd like to share these recent pictures of him, because they illustrate the Matt that we got to know. He was genuine, kind, caring, giving, and fun. We send our deepest condolences.

Matt and I bowled on the USPTO bowling league together for a couple of years in 2015 - 2016. He was such a nice, friendly person to spend time with and talk to. We talked about bowling, relationships, and personal finance, and I always looked forward to spending time with him at the lanes. He will be sorely missed... - Steve Libby
