Donaldeen M. Dunn

MAY 1, 1927 - JUL 19, 2012

Donaldeen (Dona) M. Dunn, 85, died in Alexandria, VA on July 19, 2012 after living a long wonderful life. Dona was born in Ravenswood, WV and grew up in southeast Ohio. She was the daughter of Donald and Harriet (Walter) Whetstone. Donald was the Marietta High School Band Director from 1932 to 1942. She married her soul mate, William (Bill) G. Dunn, in 1950 and set off to see the world as the wife of an Air Force Officer. After serving her country well and raising four children, she and Bill “settled down” traveling around the world spoiling their grandchildren.

Dona volunteered with Air Force Family Services and the Red Cross, was a dental assistant, a secretary for the Ohio Department of Health, and a member of the Matamoras Order of Eastern Star #261.

Dona will be remembered as a loving wife, mother, and grandmother. Dona’s love of family, life, and travel inspired her to create and share countless beautiful quilts with friends and family. She was a colorful person and her quilts reflected her lively personality. Each quilt had a unique story and sometimes took years to develop into a masterpiece.

Dona is survived by her husband of 62 years, Bill; sons William, Jr., Steve and wife Maria, Don and wife Renae, and daughter Tamie and husband Jim; 12 grandchildren (Joseph, Jeffrey, Melissa, (Jason – deceased), William III, Sean, Brian, Richard, Jennifer, Joshua, Sandrina, and Ryan); and nine great-grandchildren (Jason, Chelsea, Katelyn, Tyler, Zarah, William IV, Nevada, Julian , and one on the way), who were the light of her life.

Memorial services with reception to follow will be held on July 28, 2012 at 10:00 a.m. at Matamoras United Methodist Church, 602 3rd Avenue, New Matamoras, OH 45767. In lieu of flowers, the family requests donations to the Human Society of Ohio Valley, P. O. Box 5, Marietta, OH 45750. Memorial service and interment will take place at Arlington National Cemetery.

Stephanie Dunn sent a virtual gift in honor of Donaldeen.

Grandma Dunn was a very special person and welcomed people into her family. She was generous and loving. Grandma always enjoyed sharing stories of her life adventures. I will remember hearing about all of the different houses she lived in over tje years. I'll never forget the advice she gave me about marriage or about military life. I enjoyed learning about sewing from grandma and hearing about all the projects she was working on. grandma was so excited to be having another great grandson and it is hard for me to know that she will not be able to hold him in her arms this fall. But I am comforted in my belief that she is now looking over all of us from heaven and we will some day see her again. Grandma took me into her family and treated me like her granddaughter and for that I'll always be grateful. My prayers are with grandpa Dunn and the rest of the family who I am so blessed to be a part of.-Stephanie Dunn

Dear Bill and Family,Martha and I were saddened to learn of Dona's death and we extend to you and the entire family our deepest sympathy and condolences.Dona was one of the most courteous, kind and gentle ladies we have ever known and it was always a pleasure to be in her company.She leaves a legacy representing strong family values and a committment to duty and service to our country. This was reflected in the fact that her entire family pursued honorable and commendable military careers. The strong support for military families through her volunteer activities was also a testimonial to the love she had for the men and women who so faithfully serve our country.We are all humbled by and appreciative of the service and sacrifices you and her children gave to their country and extend a sincere and heartfelt thanks for that.The many fond memories of our shared experiences at Marietta College during many bygone happy and care free days will forever be cherished as well as our wedding anniversaries where we share much in common.We send our Love and Best Personal Regards to you Bill and the Family.Martha and Graydon YesterMidland. We thoroughly enjoyed having Dona and Bill as our neighbors. I will always remember Dona's love of quilting and joy of trying new patterns. The other love in her life was her family and what a blessing for she was so proud of ALL of the Dunn families. Ken and Betty Shepard, Lady Lake, FL
