Wish I couldve met her! She was my aunt. I would have had so many questions about our family, my son is doing his family tree and whatnot and weve run into a wall. If anyone would want to contact me (740)4917457 is my number . Anna

I feel blessed to have met Pearl and her family. I had the privilege of working with Pearl and she became a very dear friend. She was always so good to me and my family. A truly amazing lady. We referred to her lovingly as Grandma Pearl. She will always hold a very special place in all of our hearts. I miss you and will always hold all of the good memories we had through the years close to my heart. Love, Laura Pearson

I hold in my heart ❤️ all of the memories of my mother. I will miss her very much! As she walks through the garden of heavens gates, she will enter into the dwelling of God's house. She is now in peace and with all of those that have crossed before her. I know that she will continue to watch over me and guide me when I need her guidances. I will LOVE ❤️ you forever.
