Lynn It's with a sad heart Joe and I will not be able to attend your Mom's funeral. I have been battling kidney problems and breast cancer for 2 years and Joe had a heart attack. I hope you will express our deepest sympathy with your Dad and Ray. We will always fondly remember all our good times and memories.

I played mahjong with Dee at Potomac Green for several years. She was as pretty on the inside as on the outside. She always talked lovingly about her daughter and son and her grandchildren. They were her "treasures" along with her husband "Angelo." She really lived for them and I am sure they will miss her terribly. On the bright side, her family has a host of reasons to be joyful because she was their dear mother, grandmother, and wife. I am very sad she is gone. Love to all the Ceresa's. Anne McCue
