Gerri's parents were my godfather and my godmother. Gerri had a huge, gentle and loving heart even at a young age. Her family was of the utmost importance to her. She did everything she could to make them happy. I'm proud to say that she loved me too and I would call Gerri my god-sister. I love her and miss her very much and always will. Michele and Keith you were very lucky. I love you all. Lisa (Chiapetta)

A dear friend and person whom I met 41 years ago, while we both catered to and toted our children. We obviously had some things in common and kept in touch even after you moved away. You were always on the go and a hard worker; more importantly, you were always caring and giving. I will always remember your joy of cooking a meal fit for royalty.. Love you and already miss you! My deepest sympathies to Keith, Michelle, Sarah, and your grandchildren. It is my hope that they will fill their hearts with the many happy memories you all created together. Love, Char

We met at age 15 and stayed friends ever since. You were the best clarinetist, the best cook, the best decorator. I encouraged you to date Mark (worked out pretty good). We double-dated for our prom in 1965 with our future husbands. You are my daughter's godmother. I will miss our birthday calls. I will miss you. You will forever be in my heart. Mary

Gerri and my mom, Mary, set the example for me of what real friendship looks like. My mom's best friend since 15, our families would get together at least once a year and it was always a fun time. I can see Gerri's smile and feel the warmth of her hug. She was always so kind and loving and made me feel welcome and loved. And I remember the excitement of seeing Michelle and Keith and wondering what changes they had made since the last time we saw each other. I watched as our moms never lost touch and always made time for each other. Because of the love and friendship our moms showed us, I learned what it means to be a good friend and I too have a 'Gerri' I've known since I was 15. I will forever remember that warm smile of yours and those big hugs. In your honor, every Nov 5th, I'll reach out to my best friends and tell them how much they mean to me. With love, Debbie Arden

You and Mary and I had lunch every day at Bogan high school, I was an attendant at your beautiful wedding to mark, my future husband Dennis visited you in Virginia many years ago. We have talked over the years, did Xmas cards but you were one of the nicest persons and your whole family. I will miss your energy and gracious face...smiling and laughing. My prayers are with you and your family Carole Shallow Sendziol
