Adrien-Lee C. Allen

NOV 15, 1958 - APR 25, 2020

Adrien-Lee C. Allen, age 61, of Leesburg, VA, passed away on Saturday, April 25, 2020, at her home in Leesburg, VA. Born November 15, 1958, she was the daughter of the late William and Consuelo (Delacorte) Carson.

Referred by many as a horse whisperer, Adrien spent her life working with horses in all capacities. From eventing, to cattle drives, to racing Thoroughbreds, to teaching children how to ride, she truly was capable of anything.

Adrien was a light, and a guide, to many people in Loudoun County and surrounding areas. Her equine legacy, and never-met-a-stranger demeanor, will not soon be forgotten.

She is survived by her mother Consuelo Carson, McLean, VA; daughter Melanie L. Allen of Pagosa Springs, CO; son Clifford Allen, Leesburg, VA; and partner Bobby Martin.

A Celebration of life will be held at a later date. The family requests in lieu of flowers that donations be made to: Retired Racehorse Project, or an Off-The-Track Thoroughbred rehabilitation fund of your choosing.

Condolences may be expressed to Consuelo Carson at 1309 Selwyn Drive, McLean, VA 22101.

Adrien was truly one of a kind. We had been friends for years. We laughed together cried together and were always there for each other. I met Adrien because I bought a horse from her and we were instant friends. I have many, many fond memories of the times we spent together and very fond memories of her children Melanie and Clifford. If Adrien was your friend you were truly blessed, she was always there for you no matter the time of day or night. She will be greatly missed. God just called home another "super horsewoman and person".With heartfelt sympathy,Debbie Cummings James

I was shocked and broken hearted when I heard of Adriens passing. I met her years ago when I purchased a horse from her. We became immediate friends. We even ran a small boarding operation. We laughed and cried together. We were always there for each other. If Adrien was your friend you were blessed. I loved her and her children. She was one of a kind and will be dearly missed. RIP my dear friend. Debbie Cummings James

I was so saddened to hear of Adriene's passing. We never met in person, but she adopted my first OTTB Chipper (ala Calypso) after ge moved to Va. Due to our geographical distances we had many lovely conversations via phone or text. She lovingly took care of Chipper for which I am eternally grateful. May she rip while taking care of all the OTTBs in heaven and be pain free.

So sorry for your loss and the world's loss too. She was one of a kind and did much for so many. She helped me get my very young Hanovarian filly through inspection. The inspectors we referred to as Bartles and James.They spoke German and Adrian reported to me what they were saying...
