Joe, I can't stand to see a date range under your name, Joe. To say I miss you and will miss you seems so simplistic and it is not. It is so NOT real. You have been so much to me on so many levels. Since 1997. You always said "I have you under my wing" - how does one begin to thank you for that? You are irreplaceable....as a friend and as a colleague. The best always seem to be taken too soon. Another example.Linda, Clay, Alex. You may not know me. I "know you" through Joe's words and emails through 16+ great years with him. He lit up when he talked about soccer, VA Tech, Acappella...and it goes on. I am so sorry. I know that I can't directly help heal your pain. I can tell you that you are not alone in it nor in your love of Joe. Even in your disbelief.I am so deeply sorry.Joe - not the same my friend. way too soon.

Dear Linda, Clay, and Alex,I am so saddened to hear of your sudden loss. Linda, you have always been so special to the Belmont Ridge family, and I have fond memories of planning a Stone Bridge soccer banquet with you. My daughter Steffi was in chorus with Clay. I didn't know Joe, but knowing you and the boys speaks volumes of the kind of man he was. I pray that you will find the strength and comfort to get through this difficult time. Know that you are in my thoughts and prayers. With Sympathy,Melanie Muller and family

Linda, Clayton and Alexander - My most sincere sympathies on your loss. While I only knew Joe for a short period of time through our relationship at Applied Visual Sciences, he was a man of integrity and honor. I appreciated his candor and professionalism in dealing with very difficult business issues. Sometimes when you're dealing with extremely negative situations it's hard to maintain your humanity. It was never an issue for Joe. You will be in my prayers as you move forward from this difficult situation. Bill Donovan
