I am so sorry to hear about Mr. Clairmont. I have worked with Lori for many years and taught their son Dylan. Nicest family ever. My family will keep your family in our thoughts and prayers as you work through this difficult time.

Mike, it's been so many years, and I'm so sorry I never got to laugh with you again. As a fellow swimmer, you were an inspiration to me, being the national record holder that you were. And I'll never forget that day when I hadn't seen you in several months, and you said 'I've heard you're getting pretty fast Tommy, great job.' That was huge for me to hear that. Clairmont telling me good job on your swimming! There was so much more though. I was proud that you considered me a friend. We did stupid things yes, but never meant to ever hurt anyone. God bless you and your family, whom I never met. Except for Derek and your mom and dad. Love always.

Lori, Your light & warmth that I received at Stone Bridge must be a reflection of what an amazing husband you had and sons that you have. My heart hurts for you and please know I am thinking of you with very warm prayers and thoughts.
