Elsie Veigel Feder

AUG 16, 1934 - JUN 24, 2020

Elsie Veigel Feder, the daughter of the late Walter and Elsa Veigel, passed away on June 24, 2020 in peace and comfort in Northern Virginia after a lengthy illness.

She is survived by and was the loving wife for 63 years to Dr. Frederick P. Feder, Jr. and the mother of three children, Scott and wife Elena of Ashburn, Virginia, Stacey and husband David Hoover of Foster City, California, Todd and wife Cristina of Houston, Texas.

Elsie was the grandmother to six grandsons Alexander and Mark Feder, Stuart and Phillip Hoover, and Matthew and Nicolas Feder. A native of Baltimore, Maryland, Elsie graduated from Towson High School and Towson State Teachers College.

A school teacher for more than 30 years, Elsie taught elementary school in Rochester, New York, and at First Lutheran School and Westark Community College in Fort Smith, Arkansas where she resided from 1968 to 2010. There she was a member of St John's Episcopal Church..

Elsie touched the lives of so many people with her pretty smile, bright blue eyes, engaging personality and intellect. Her inquisitive nature and thirst for knowledge instilled a rewarding spirit of curiosity among her students and family that lives on to this day.

She will be missed dearly by her family, friends and neighbors. Elsie was laid to rest at Moreland Cemetery in Baltimore on June 27, 2020. In lieu of flowers, donations in her honor may be made to the American Parkinson's Disease Association.

Fred and Family I was so sorry to see the news of Elsie's illness and passing. I had lost all contact with her after the family moved Certainly does not seem as long ago as it has been. Elsie had those beautiful blue eyes and her bright smile We shared many good times and "tore up" those tennis courts in years past. Please know I will treasure those times with Elsie and always remember. Fred, I dont know if you heard but I lost Dick about 8 months ago Not an easy road. I will be thinking of you and your family with sincere concern and prayers at this time Kay Aclin

FRED AND FAMILY, Prayers for you and yours..so many wonderful and funny memories of the Feders. A big asset to the Eastgate family, from Elsie calling Bernie to fix the new TV that Fred told her not to touch, to hanging out the door saying she would take Stacy to school because Stacy was having trouble with her hair, to her flying over the kitchen table trying to get the spoon in the game of Spoons!Stay safe, Sharon Greenfield
