# Justin Edwin Pregonzer

MAY 31, 1982 - AUG 4, 2020

**J**ustin Edwin Pregonzer passed away unexpectedly on the evening of August 4, 2020 of sudden cardiac arrest at home.

He is survived by his wife of 16 years, Brandi (McIntyre) Pregonzer and children Zachary (12), Benjamin (10) and Caitlyn (4). He was born on May 31, 1982 in Ridgewood, New Jersey and leaves behind a large family consisting of his grandmother Ann Colucio, parents Dr. Gerard and Linda (Colucio) Pregonzer, older brother Dr. Gerard Pregonzer Jr (w/ Tania), younger sister Laura (Pregonzer) Crouthamel (w/ Andrew) and younger brother Joseph Pregonzer plus his nieces and nephews.

He lived in Westfield, NJ for the majority of his childhood where he developed a lifelong passion for Scouting and the values found within it. He took the core value of service and joined the United States Air Force after 9/11 where he was stationed at Beale AFB for 4 years before separating to continue the mission as a DOD contractor.

He loved his work and the mission; working hard to be the specialist in any position he was given. After the birth of his children he was eagerly awaiting the time he could share his love for scouting with them. He was always prepared to step into any leadership role and could be counted on to do the right thing at all times.

He was a well loved loyal friend and partner. He will be sorely missed.

Due to the current situation with Covid there will be a private family viewing on Tuesday (8/11) with a Funeral Mass on Wednesday (8/12) at 10 am at St Theresa Parish in Ashburn VA. He will be entombed at Arlington National Cemetery next summer with a celebration of life to follow.

Please accept my deepest condolences for the passing of Justin. I had the good fortune of knowing Justin from Westfield High School and as a member of Boy Scout Troop 79. He had a calm, mature demeanor and seemed to possess wisdom beyond his years. Justin truly embodied the virtues of scouting and was a reliable, sensitive and kind friend. I am glad to know that he lived a fruitful life.

My heartfelt condolences to the Pregenzer family. Justin worked for me at NGA for the past 2 years. He was a fabulous geospatial information systems instructor. He really had a smooth delivery and knew how to captivate his students. As a result of his efforts, many warfighters and first responders were better able to do their jobs safely with the data he trained them to find, get and use. Our outreach and engagements team will never be the same without him. In my many conversations with Justin, I could easily see that he was a devoted husband and father. He also loved to share his enthusiasm for Scouting, Star Wars and his participation in Dragon Con. I learned a lot about each of those things! I will miss Justin immensely. He was truly a great guy. I wish you all peace and comfort during this difficult time.
