I just found out that Charmaine passed away. Been a long time since I ask Charmaine to help me with my AT&T login account and today I needed her help and sent her at email and copied a coworker. It was a very sad news to hear Charmaine passed away. I never met her in person. I spoke to her on the phone and we had email communications. Throughout the phone calls and emails, Charmaine showed kindness and professionalism. She is greatly missed. God bless her soul always.

I am so sorry for the passing of Charmain. She was so sweet and always showed so much interest in my traveling excursions. She will be deeply missed but we know that she is in a much better place. To be absent from the body is to be present with the Lord and I know that she is there celebrating her new life with all of her loves ones. Be strong family and remember that there is a God in Heaven that will bring you peace and comfort as you mourn this great loss.

To the Trammell family - I am so sorry for your loss. I knew Charmaine from AT&T and she impressed me with her expertise of the customer programs she managed, and with her ability to patiently share that knowledge with those of us who needed to learn from her. She was taken far too soon. Please accept my deepest sympathies, Barbara Khan
