I just found out about this tragic event today. I am at a loss for words. I had worked with Kristin personally at the same office back in 2002. Through the years we still connected & ran into each other & it was like we were never separated. We laughed & talked about old times. She was always a ray of sunshine wherever she was. She will be missed terribly.

Kristen was a very kind compassionate person. When you called into the office for any reason she took her time with you. She was always professional, kind, courteous and genuine. What a lovely person, who will be deeply missed. She has a new beginning now that she moved from earth to Heaven. May God's Blessing be with the Family and Friends of Kristen. Cynthia

I remember Kristin from the time she was very young and lived only a few houses down from us in Herndon,VA. We would have her and her parents up on the holidays for Dinner because we did not have any relatives in VA. My thoughts and prayers are with you Ron and Carol and my heart breaks for you. Love you. Today I had an appointment with Dr. Williamson in Leesburg & expected to see Kristin at the front desk. She was always so kind, warm & welcoming whenever I came to the office. I was so sad to hear of her passing. She was such a bright light in that office & even though I hadn't known her long her kindness & bright spirit made it a joy to go there & be checked in by her. My sincere condolences to her family & loved ones.
