NATALIE GALE EVANCHECK (SINGLETON)

Age 62, on Friday, November 27, 2020 of Bluemont, Virginia

Born Saturday, November 8, 1958 in Waynesburg, Pennsylvania, she was the daughter of the late Ira Singleton and the late Helen Singleton (Gurchak). Beloved wife of 40 years to George Evancheck; loving mother of Ashley Evancheck Morris (Brian) and Allyson Evancheck.

Natalie touched and inspired the lives of many with her energetic personality and undeniably positive outlook. Natalie enjoyed traveling and new experiences. She took great pleasure in helping and supporting her family and friends, and she had a soft spot in her heart for animals of all kinds.

Natalie was a graduate of Waynesburg University, a member of the Sigma Cappa sorority and the Pan-Hellenic Council. After graduating, Natalie met her soulmate and husband George, before they relocated to Texas and started a family. Several years later, the Evancheck family moved to Florida where her creative mind developed a passion for interior design. Their next chapter moved the family to Virginia where she established her design career. During this time, Natalie was an incredible role model for her daughters, and partnering with George her conceptual vision for their new home in Bluemont came to life. In retirement Natalie had many hobbies. She was an active board officer for local community and civic associations and still found time for other area women's groups and organizations.

Natalie will be laid to rest at Lafayette Memorial Park, Brier Hill, PA. A celebration of life will take place when it is safe for all to come together.

Natalie was one of the first people to welcome us when we moved to the mountain. My husband and I remember hanging out with Natalie for a bit at the Bluemont Fair, where she was volunteering at the old schoolhouse. Her love for Bluemont was evident in the many ways she gave back to the community. Our hearts go out to George, their daughters, and to all of her family and friends.

There are not enough kind words to describe Natalie. I had the honor of teaming up with Natalie as TEAM MOMS for our girls cheerleading team. I will never forget the laughs, the times we traveled together, and the grace you always demonstrated. You are one of the most beautiful and kind human beings who I was blessed to be able to share part of our lives together. My heart and prayers go out to George, Ashley, Allyson, and the rest of the family and friends who will truly miss you. God Bless you!

I can't believe you are gone, Natalie. Thank goodness I got to see you just a couple of weeks ago. You were a "yes" kind of person, which is so rare. Your kindness still permeates just thinking of you, and your twinkle in your eye. Thanks so much for helping my family up at your house in the snow that day, and for in general making life a little nicer for everyone in Bluemont because of your positive attitude.
