Keith was a great friend in High School, always had a smile on his face and was kind-hearted to everyone. He was a someone that you loved to be around because he was shy before warming up to you, and then the jokester would come out. My heart goes to his family, may he rest in peace.

It is hard to believe that on January 4th we were celebrating Keith's graduation from Loudoun County Fire and Rescue - Recruit Class #40 and only a month later we are left grieving his death. It was a pleasure to spend the last seven months with Keith while he was at the academy. He was a quiet, polite and hard working recruit who got along well with his classmates and staff. He had such a bright future ahead of him and it is heartbreaking dealing with his passing. My prayers are with his family and friends. May he rest in peace.
