Hi Sunshine This is the saddest time of your life. I don't know what I can say that would make you feel better. You've been through some very difficult days caring about Brian. But you had a good 40 years with him. He was like a son to me and your dad. I remember the trips we spent together, especially the cruise on the Caribbean when Brian attempted the water slide and got stuck on it and I was going to go after him but I realized I would slide into him so I scrambled off, otherwise we would have tumbled off the side. So many wonderful memories. Love and prayers Mom

Dear Janet, We are so sorry for your loss, and for ours. Brian was always kind even as a little kid. My best memory and one I constantly share, is the first time I was invited to share a family meal at the boyfriend's house when I was dating big brother Michael. Brian was about 12 or 13 years old and had quite an appetite. As the food was passed around and everyone began to eat Brian was somehow already finished. He called everyone's attention to the only pork chop left on the platter. And while holding his fork over the meat asked if anyone wanted the last pork chop!!!!!! It still makes me laugh out loud. (Over the years he did become a little more genteel!) He was a wonderful brother, a good brother-in-law and a great uncle to our daughters. As little girls they loved going to Grandma's and getting a big hug from their Uncle Brian. He is fine, we will not worry as he is surrounded by others who have passed and love him. We will miss him forever. Love always. Michael and Leona

Dear Janet, I am so very sorry we were unable to be there in person, but please know we are thinking and praying for both you and Brian during this difficult time. It was always very apparent to me the love the two of you had for each other and hope those memories of better times bring you comfort and peace now. With our deepest sympathies, Lisa and Brian

David and I, and Sara and Anna attended the service this morning. We appreciated Elaine's eulogy and kind words about Brian. David and my memories stretch back to when Brian was young and he and Janet were just starting out in married life. There was a lot of joy and laughter during their marriage, borne out of their love.
