Matt would come down to St. Mary's County to visit Junior and I. While he was here he would always go his life to switch out the eggs in the fridge with wooden ones. He would get the biggest kick out of that and chuckle all day. Just thinking about it makes me laugh. He will be missed by us. Junior has known Matt since the two of them were eight years old and I since my early 20's. That is a long time and many good memories. Before he got sick, Matt helped Junior refurbish an old boat. He was a good helper and he really enjoyed the work. Matt talked about it for many years and always asked about the owner of the boat every time we had a conversation. Matt traveled with us a few times on weekend trip in our boat and seems to enjoy that the most of all our times together. He was a very good second mate, loved to fish, and almost always didn't get sea sick...Fare Winds and Following Seas' Matt. You will always be in our hearts. Sharon and James Cullison, Jr.

I just wanted to say i'm sorry for your loss. Death in an un-natural thing and is very painful. I have found the scripture at John 5: 28 and 29 to be comforting. I hope you can find comfort in it as well. Sincerely, Siera Magro
