They were our dear neighbors. We looked out for them because we considered them family. The memories that we made together will always be cherished. Love sent to their precious children.

Aunt Lela was a caring mother hen to all 11 of her sister and brothers after Wilson and Martha Hutchison (her mom and dad) had deceased. Most of them relocated to the Akron area to support family and seek a new start. It was a great experience for all. Treasure our time together Kent and Kelley love you both. As the family grew older most came back to New Concord area. What a adventure Aunt Lela you had such a impact on my life! LOVE YOU! (Niece Koreen Hutchison daughter of (Carl Hutchison your brother).
