My Condolences to the Brown family. Such a nice man. My brother Charles Mallory was home visiting from Colorado just before the old Walmart closed and ran into Skeets while shopping. I never heard such tales from Douglas High School as these two were telling. They hadn't seen each other in 50 yrs. They both kept patting each other on the back. God Bless the family.

Skeets, Fred and I are so very saddened by your passing. We know that you are with our heavenly father and your family that have gone on before you. Whenever we met with you, you always had a great big smile on your face and something "hilarious" to say! We are truly going to miss you. I say to the family, everybody loved and enjoyed Skeets's company so much! RIP our dear friend. You are gone but never will be forgotten....

Skeets I will miss you so much. you came in my life at the age of 11yrs old. You filled some pretty big empty shoes for me. I had no father figure in my life at that time and you stepped in and became my DAD and amazing one at that. I will always love you. Love tiny
