Drew Richardson posted:

Dear Jackie, On behalf of the PADI organization, please accept my heartfelt condolences for Kevin's passing. I am personally grateful to have had a long-time friendship with Kevin, dating back as far as high school teammates on the swim and water polo teams, and of course those days spent as lifeguards together. He was always a passionate, skilled and dedicated person who made friends easily and loved life- a true Waterman and brother. Additionally, as a diving professional, I would like to express gratitude and respect on behalf of the PADI organization for Kevin's 39 years of commitment, loyalty and support to PADI and diver education. His life long passion for scuba diving shined. My thoughts and prayers are with you and your family during this difficult time of loss. Sincerely, Drew Richardson President & CEO, PADI Worldwide
