Mary Kate "Mickey" Stocks

JAN 30, 1998 - DEC 19, 2021

Mary Kate Stocks, 23, of Leesburg, Virginia passed away peacefully on Sunday, December 19, 2021, surrounded by her loved ones. Born Friday, January 30, 1998, in Reston, Virginia, she was the daughter of Kenneth Stocks and Teresa Cobb Stocks.

Mary Kate-known lovingly as "Mickey"- was a strong-willed, beautiful spirit with the biggest heart. Mickey shined a bright light during her short time on this earth and is leaving the world, and those who knew her, better for her presence. Her gentle demeanor and kind soul were unmatched. She was an avid animal lover and leaves behind her fur babies: Ghost (dog), Foreman (cat), Cole (cat), and Winston (cat).

In addition to her affinity for animals, Mickey was a talented artist, she had an eye for detail and was especially good at portraits and anime sketches. Mickey is survived by her parents, Terri and Kenny of Leesburg, VA, her maternal grandmother, Barbara Cobb of Berryville, VA, her "grandmother", Nancy Waters, of Lucketts, VA, her boyfriend, Brandon Black of Ranson, WV, and many aunts, uncles, cousins, and friends as well as her sweet cats and pup.

A viewing celebrating Mickey's life will be held on December 23rd between 2:00-4:00 pm at Loudoun Funeral Chapel, 158 Catoclin Circle, SE Leesburg, VA 20176. In lieu of flowers, please consider making a donation to your local animal shelter in Mickey's honor. Online condolences may be made to the family at www.loudounfuneralchapel.com

I cannot believe it has been two years since you left us. Time seems to have flown by, but also passed agonizing and slow. I know that you will continue to watch over all of us until we can reunite once again. Words cannot express what a wonderful and caring friend you were, and how much I miss your presence in my life. But, even despite the pain, I am thankful and grateful that we had the time we shared together on this earth. Love from Emily, Tyler, and Esther

I'll always cherish our friendship Mause. Every conversation we had from screaming and laughing amongst our friends to crying and venting and helping each other heal meant so much to me and I'll always go back to them in times where I miss you the most. You even helped me conquer my fears of traveling alone across country in order to have a chance to spend with you in person, that meant everything to me and for that I'm so thankful to have you in all our lives being such a positive spirit and tether.-Love you always Mause!

I remember meeting Mickey along with a large group of friends a number of years ago online. While I never met her in person, I did know her enough that I can confidently say she was one of the most sweetest of souls I have met. Some of my favourite memories with these friends of mine involved her. Mickey and I along with others hand spent quite a few nights up much longer than we should have been, just talking and having fun. I remember when she first got ghost, and loved to show the little puppy off. We had talked about our dogs for hours. Mickey was an amazing artist. I remember thinking a number of times of how jealous I was of her drawings, and how talented she was with it. I truly hope wherever you are is a better place. We will all love and miss you.

I will never forget the first time I heard your voice and your laughter. No matter what, I knew I could call you anytime of the day or night, and you would be there. I will miss our random conversations about everything and nothing, as well as our long talks about building a cottage in the mountains somewhere when life got too crummy for us to handle. You were a confidant, a defender, a reveler, and the person who was unafraid to call me out when I needed it most. There will never be another you and your space in my heart will forever be open. See you soon Miss Mickey
