Dana "Dani" Dix Futrell

DEC 15, 1945 - DEC 23, 2021

On the evening of December 23, 2021, Dana "Dani" Futrell passed away at the age of 76 after a courageous battle with cancer, comforted by her husband of 52 years, Guy, at Inova Loudoun Hospital.

Dani was born in the town of Cross Creek in North Carolina. She was the only child of Walter Everett Dix and Ruth McLemore Dix who have preceded her in death. She was raised in Hampton, VA and attended Christopher Newport University and the College of William and Mary.

It was at Christopher Newport University where Dani and Guy's love for each other blossomed. Guy would later attend Virginia Tech and that's where their love of the Hokies started and continues to this day.

Due to Guy's work, they moved several times but developed a love of traveling. While in California, Dani started out as a Santa's helper at Bullock's but was quickly promoted to buyer and then department head for Macy's.

Dani was very artistic and loved the art deco style. Dani was a kind and loving person who touched many lives. Traveling the world with Guy was one of her passions and Europe was a favorite destination of hers.

The family will receive friends from 1 to 2 pm on Thursday, December 30, 2021 at Loudoun Funeral Chapel. Funeral Services will follow at the funeral home at 2 pm on Thursday.

Inurnment will follow at a later date at Virginia Tech, in Blacksburg, VA.

In lieu of flowers, memorial donations may be made to Loudoun Hunger Relief.

Please share condolences with the family www.LoudounFuneralChapel.com

We have been fortunate to tailgate at Virginia Tech football games for more than 15 years with Guy and Dani and have traveled with them on several European river cruises. Future games and travel will not be the same without her presence. Dani was one of the most up-lifting persons anyone could have ever known. A very trusted friend and someone who could put a smile on you face and laughter and love in your heart. We will truly miss you. Craig & Jo Jo

Diana and Stan Pedersen became life long friends with Dani and Guy back in the 80s in California. We continued when we all moved to Houston a decade later and built houses in the same neighborhood. Typical of Bechtel, 5 years later new assignments came along and Dani and Guy went east while we were sent west. Over the years we shared lots of good dining, a few glasses of wine, and most importantly a great friendship. This picture is the last time we were together in Las Vegas, 2015.

Dave and Ellen Nelson have many fun memories of Guy and Dani. We were fortunate enough to take a few vacations with them including a very memorable trip to Antiqua where we sailed on a three masted schooner, sang "Amazing Grace" before we sailed away from every port, and then had to leave early to escape Hurricane Hugo. We will miss our classy, fun friend.
