Lawrence Edward Wenner Sr.

SEP 22, 1938 - JAN 30, 2022

Lawrence Edward Wenner, Sr. of Lovettsville, Virginia passed away comfortably in his sleep on Sunday, January 30, 2022, at INOVA Loudoun Hospital, Lansdowne, VA.

Born in Brunswick, MD on September 22, 1938 to the late Herbert Malcom Wenner and late Betty Grove Wenner, Larry, as he was known by friends, proudly worked for AT&T for nearly 30 years. He started as a janitor, then put his years as a laundry truck driver to use and worked as an executive chauffeur until his retirement.

A talented athlete, he was known for his skills on the pitcher's mound in baseball, at one time being named "Loudoun's Best Pitcher". He played baseball in the Army from 1956-57 and went very far in a professional baseball tryout for the Pittsburgh Pirates. As much as he loved playing baseball himself, he loved coaching even more ... his son, then future son-in-law, and his 5 grandsons.

An avid fan of the Washington Football Team, he proudly showed off his "Redskins' Room" to anyone who visited his home. He excelled at golf, bowling, even playing pool, but perhaps was best known for his contagious smile and positive attitude.

Whether he was driving the neighborhood kids to amusement parks or his friends "The Hogettes" or other dignitaries in parades in his big red convertible, he made everyone in his presence feel special. Lawrence was predeceased by his beloved wife, Katherine Frye Wenner, in 2015.

He is survived by his daughter Karen Wenner Cooper, and husband Joshua, and son, Larry Wenner Jr., and wife Lisa, all also of Lovettsville. His memory will be forever cherished by those who called him Granddad or "G-Daddy", his 5 grandsons, Ben Cooper, Trip Wenner (Lawrence III), Ryan Cooper, Chase Wenner and Tyler Cooper.

We had the privilege of knowing Larry for over 35 years as our son, Thomas, played against Larry, Jr. in little league baseball and through all-star teams when Larry was the head coach. We had the opportunity to once again meet up with Larry when his grandson, Ryan, and our grandson, Zander, were teamed up together on the 13-15-year-old Babe Ruth team playing in the Fall of 2020. It was so great to see him and talk to him about his love of the game. We will remember him driving his yellow Chevrolet convertible! Thanks for the memories! May the Lord comfort you and keep you in His tender care always. Robin, Debbie, Thomas Johns, Sarah and Zander Oliver

I live on Park Place. It always made me happy to see his seasonal decorations and the big Redskin player on their game days. His house was the bright spot on this street. I will miss that.He was one of the friendliest people that live here. He would always wave if He was outside when I came home from work. I will really miss that.
