**Patrick Whalen** lit a candle in honor of Edward.

I remember playing whiffle ball in the backyard of the Gallagher house on Harwood Avenue in Philipse Manor in Sleepy Hollow. It seems Eddie and the gang of kids spent hundreds of hours playing baseball with a plastic bat and ball. My condolences to Eddie's siblings-- Susan, Danny and Stephen. Patrick Whalen.

Eddie was part of 'The Park Gang' while growing up in Sleepy Hollow/ Westchester County, NY . We were all so proud of him, as he ventured off to Medical School in Mexico . Shortly thereafter, he met and married Patty Battenfeld, who he referred to as 'an angel.' Their Wedding was lovely. May you Rest In Peace, Dr Gallagher Barbara Jean Foley

To Susie, Mary, Danny, Stephen and Tommy, My deepest condolences and love to all of you on the passing of Eddie. He was a true genuine friend who brought joy and laughter into my life. I spoke with him a few weeks ago and I'm saddened that I didn't get to see him in Florida. It comforts me to know how much he was enjoying life the past months, dancing away! Thank you Eddie, for all your love and caring. I will miss you. Joan Kofka
