Always open to sharing her knowledge, experience, time, and her truth! Brenda has been a noble soul and she will indeed be missed. To her family, friends and loved ones... be comforted in the knowledge that she lived life well and to the fullest. To Darnell and Aja, we never met but I did have the pleasure of learning a bit about you. What a proud mom!!! I know you know how much she loved you. I was blessed that Brenda shared how much she also appreciated you! May God's love for her and you provide the strength, encouragement, comfort and peace to face each day. My hope is that she will always feel "present" to you, even if through visits in your dreams. Thank you for sharing her with the Northrop Grumman family. May God's blessings be with you...always. I've known Brenda for many years and worked in the same section in McLean and Fairfax before the pandemic. She would always ask me if I was going to the gym today. She was so funny during our staff meetings. She is really going to be missed. My condolences to the family. Mark Woltz

Lynn Davis lit a candle in honor of Brenda.

I worked with Brenda for many years, and counted her as my friend. Over time, I met Andrew, Darnell and Aja when they came in to see Brenda. I know how hard this is on Darnell and Aja now, but she and Andrew have been reunited in heaven after 20 years of waiting. I will miss you Brenda. "Lord, for your faithful people life is changed, not ended. When the body of our earthly dwelling lies in death, we gain an everlasting dwelling place in heaven. Eternal rest grant unto her O Lord, and may perpetual light shine upon her. May she rest in peace. Amen." Lynn Davis
