Murty Narasimha Hari

SEP 17, 1937 - MAR 26, 2022

Dr. Murty Narasimha Hari was a loving father and caring husband to Vijaya L. Hari and his three children Anil Hari, Kalpana Hari Hall, and Kishore Hari. He left this world on March 26, 2022 at the age of 84 years old.

Dr. Hari was born at Vemavaram village in Guntur District. He received a B.Sc. degree at Hindu College, Guntur, an M.Sc. at Osmania University, Hyderabad, and a Metallurgical Engineering degree at the Indian Institute of Science, Bangalore. In 1961, he was awarded prestigious scholarships to travel to the United States to complete graduate degrees at the University of Cincinnati, Illinois Institute of Technology, and Harvard Business School.

Dr. Hari holds numerous patents and has won numerous awards for his work related to metallurgical engineering. In 1979, his patent regarding granular carbon processing was selected by the Industrial Research Council as one of the most significant new technical achievements. In 1987, Dr. Hari founded Superior Adsorbents Incorporated, a company specializing in activated carbon technology, based in Emlenton, PA. In recognition for his outstanding contributions to the field, he was inducted into the International Activated Carbon Industry Hall of Fame in 2011.

Murty and Vijaya were devoted supporters of Sri Venkateswara Temple since its founding. He served on the executive committee, was elected as chairman of the board multiple times, and guided the temple recently as a trustee.

Last rites services will be held at Loudoun Funeral Chapel in Leesburg, VA on Wednesday, March 30th at 1 PM ET. A live stream of the service will be available on their website:

My 2nd elder brother Dr. HN Murthy (Hari Lakshmi Narasimha Murthy) is a great person with impeccable discipline, dedication and determination. He was highly successful in his career and business due to these virtues along with untiring hard work. He always had blessings of my parents and stood as a role model for us. He loved his family very much. He was equally highly spiritual and loved Telugu Literature very much. He had lot of respect for my 1st Elder Brother (SRA. Hari), who passed away in the year 2017. I firmly believe my brother's commendable contribution to Sree Venkateswara Temple in Pittsburgh made him reach Heavenly Abode of Sree Venkateswara Swamy on a Saturday that is very special for the Lord of Seven Hills. Besides his children (Anil, Kimmy & Kishore) & their families, it's an unbearable loss to my Sister-in-law, Vijaya. Hari, who had long & successful married life of 54 years with my brother, Dr. H.N Murthy. Its very unfortunate that we could not be with his family at this hour of grief. Along with my 1st Elder Brother's family, Krishna Murthy. Hari (my 3rd Elder Brother) & family, my 4th Elder Brother (Dr. Siva. Hari), our only Sister (Parvati. Hari) & family and myself (Venugopal. Hari) & family, we pray to the Almighty, Lord Venkateswara, to grant utmost peace to the soul of my brother, Dr. H.N. Murthy and to provide the strength to his family to bear this irreparable loss. Hari Om.....Om Shanti, Shanti, Shantihi.

Dear Vijaya & family:Sad to hear the news about Hari. We have known him for over 30 years both at the Temple and out here in Morgantown when he helped out in two major religious functions in 2012 and 2016. I remember him as a Scholar and a Gentleman. He was a dedicated devotee. I remember going with him for over 4 hours to Ohio to bring Swamiji to Pittsburgh. Such was his dedication. I also interacted with him on a professional level and we had very good mutual friends.We pray to Lord Venkateswara and Godess Padmavathi to give the family the strength to carry on Hari's wishes.Om Shanthi. I am very saddened by the death of my brother-in-law Dr. Hari N. Murty. I knew him since the time he was married to my sister Vijaya in Guntur. Dr Murty studied at MGH School and Hindu college at Guntur; IISC, Bangalore; and University of Illinois, Urbana. When I met with him, I was still in Pre-University, and was so inspired by his personality that I should follow his footsteps, which I did. Dr. Murty was always there for me at every important event for the last five decades, and I miss him very much. I am sure we will meet again sometime in the future.Love,Venkata Josyula

Dear Uncle,You were a part of our lives in a way that you are only second to my parents. You are not gone. As your non-judgmental kindness and love and dedication to our extended family (most notably to ours, our parents, our children and our husbands) lives on through your amazingly loving children and grandchildren. Your touch on our family will never be forgotten. There are no words. We love you. And we will miss you and your spirit in our lives. But thank you for leaving a part of yourself behind with us as you move on to a better place.Love, Vamsi

We will all miss him so much. He was an integral part of our entire family, always front and center helping everyone. He was always so strong, vibrant, and full of energy and always had a smile on his face. I will forever remember how auntie and uncle were always together, first to get in the car and help everyone anytime, a strong united force, and this is how we will always remember him.
