I wasn't aware of Roger's passing until I saw posts for his birthday. I knew Roger back in high school. We both have sons named Christopher Michael & we both worked at Memco. My prayers to his family. We were also friends with Cliff Gillespie, who has passed also. Roger you will definitely be missed.

I'm so sorry to hear of Roger's passing. Roger and I worked together @ GPS for many years. I loved our daily talks about sports and general stuff...he was always a positive person despite the challenges we faced @ work. I'm sorry we never got to go to a Nats' game, post retirement, but I will certainly raise a glass and toast Roger the next time I go. RIP Roger...you were a good man and will be missed by many.

Roger and I were in same classes together our senior year, 1968 at Lee High School, Springfield VA. What a funny, great to know guy. Whenever we saw each other, he'd go in a great stutter..."B-B-B-BOB, B-B-B-BOB, B-B-B-BOB"! I in turn, or maybe being first half the time would put my best raspy voice on with..."ROGAH, ROGAH, ROGAH!", sometimes with a stutter, sometimes not. We sounded like a couple of crickets or cicadas or some other colony of bugs. Mrs Brandt, our teacher in Public Speaking, would just shake her head I think, in disgust. Although losing contact with Roger many years ago, I will always treasure the great memories of a great personality that kept people in stitches with laughter. May the family know that Roger was loved so much by all of us whose lives he touched.

I was so sad when Penny called to tell me about Roger's passing. I had just talked to him last week about March Madness, Washington Nationals and Washington Commanders! I've known Roger for 55 years. We both graduated from Robert E Lee High School in 1968! We've stayed in touch all these years by going to lots of professional games in basketball, baseball and football games! Roger was a great friend to me and my wife Barbara! Rest In Peace my great friend, you will be surely missed by my family and your family! We love you and Penny so much! Ken and Barbara Garrison!
