## **Linda Ann LeDoux**

JAN 28, 1957 - APR 13, 2022

**L**inda Ann LeDoux, 65, of Aldie, Virginia, went to her heavenly home on April 13, 2022. She died of a heart attack.

While she will be deeply missed by those who loved her, we are thankful that she knew Jesus as her personal Savior and is now reunited in Glory with our Lord along with her parents and all of those furry friends she loved so well.

She will be lovingly remembered by her son and daughter-in-law, David (Amanda) LeDoux of Cedar Falls, IA, and her six grandsons, Nathanael LeDoux of Gainesville, VA; Ezekiel LeDoux, of Albany, NY; Silas LeDoux of Dumfries, VA; Gabriel LeDoux of Stafford, VA; Noah & Maximus LeDoux of Cedar Falls, IA; her brother and sister-in-law, Dean (Emily) Gabriel of Gainesville, FL; along with many extended family members.

She was preceded in death by her parents, William and Evelyn Gabriel of Gainesville, FL. Linda was born on January 28, 1957 in Washington, D.C. She graduated from Thomas Jefferson High School in Alexandria, VA in 1974.

She went on to work in Finance for her career until her early retirement in 2012 from Lockheed Martin in Manassas, VA. She was extroverted and loved spending time with people. She participated in a weekly bowling league, loved the ocean, attending events for her grandsons, and a good restaurant meal with family and friends while enjoying her favorite glass of chardonnay.

Linda loved Jesus and was a practicing Christian who served faithfully as a greeter at church and was a strong prayer warrior. She had a great love for her family & friends (human & furry) and she always said, "Family is everything."

While Linda's family grieves her loss, they are choosing to remember her infectious laugh and joy in a way that honors her spirit.

I received a note of Linda's passing and was very surprised to learn of this. I had exchanged texts with her on April 4th as she had shared a sprout from a Christmas cactus the previous year. My plant although healthy had not bloomed the following year, not at Thanksgiving nor at Christmas. Finally, April first of this year, it bloomed proudly a lively shade of red rose. We laughed at the thought that she had shared an April Fool's cactus. To think of her, I can see her pride of family and love of gardening. This little story of our friendship I hope makes her family smile and gives comfort. Ashby Jewelers of Manassas is another experience to share. Linda worked there for many years and her knowledge of stones as well as her helpful attitude to assist clientele was a service that she enjoyed very much. Two small tales in the lifebook of a friend. Sylvia Thomason

I was very young when Linda married my brother and as a result, have always felt like she was a sister to me. I have so many memories of her and each one makes me smile and giggle! She had such a great sense of humor and adventurous spirit. We have stayed in touch through the years, meeting for lunch a few times over the last year or so and chatting via text or messaging for which I am very grateful. She was definitely a light in this world and will be greatly missed. Until we meet again my friend.

I met Linda at IBM and worked on several programs together. We became good friends and went out to lunch frequently. Once Linda retired we still would get together for lunch or dinner at some nice restaurant. I will miss her smile and sense of humor. Thoughts & prayers are with Linda's family during this sad time.

I met Linda at church about 13 years ago and we became fast friends. We shared many lunches together, fun experiences, and our love for dogs. Even though she has left this world way too early, there is great comfort in knowing she is in heaven with our Lord free of all pain. My condolences to Dave, Amanda and the rest of her family.

Linda and I met about 15 years ago at Fair Oaks Church where we served as greeters. Over the years we had many lunches, dinners, talks, and laughs. While I'm very saddened that she has left this earth - I'm thankful that we will meet again. My condolences to her family, and friends. ❤️
